## **A. STUDENTS**

The board will provide all pregnant and parenting students with the same educational instruction as other students or its equivalent. Pregnant and parenting students will not be discriminated against or excluded from school or from any program, class or extracurricular activity because they are pregnant or parenting students. School administrators shall provide assistance and support to encourage pregnant and parenting students to remain enrolled in school and graduate.

In accordance with State law, school system officials shall use as needed, supplemental funds from the At-Risk Student Services allotment to support programs for pregnant and parenting students. Students who are pregnant or parenting will be given excused absences from school for pregnancy and related conditions for the length of time the students' physicians find medically necessary and for absences due to the illness or medical appointment during school hours of a child of whom the student is the custodial parent. Homework and make-up work will be made available to pregnant and parenting students to ensure that they have the opportunity to keep current with assignments and avoid losing course credit because of their absence from school. To the extent necessary, a homebound teacher will be assigned.

## **B. EMPLOYEES**

The board prohibits discrimination in employment on the basis of pregnancy, childbirth, or related medical conditions. (See also policy 7232, Discrimination and Harassment in the Workplace.) Pregnant and nursing employees will be provided accommodations as required by law.

### **1. Reasonable Accommodations for Pregnancy-Related Limitations**

In accordance with the Pregnant Workers Fairness Act, qualifying applicants and employees with known limitations related to pregnancy, childbirth, or related medical conditions will be provided reasonable accommodations, unless the accommodation demonstrably would impose an undue hardship on the operation of the school system. No adverse action will be taken against an applicant or employee for requesting or using a reasonable accommodation.

The superintendent shall ensure that appropriate procedures are in place to implement this requirement.

### **2. Break Time to Express Milk**

For one year after the birth of an employee's child, the employee will be provided

reasonable break times to express breast milk for the child each time the employee has need to express milk. The principal at each school and the site supervisor at other school system buildings and facilities will designate a place, other than a bathroom, that the employee may use to express milk.
