Action Steps	Timeframe
Use WIN time to form fluid skill-based groups in third grade in which students will move in and out of determined by data found from common assessments. Tutors will be placed in fifth grade for extra support.	Start ASAP and run through 6/07/23
After benchmark assessments are completed and evaluated, teachers will devise a plan to differentiate instruction based on student needs. Teachers will use benchmark assessment data to reteach and address student deficiencies as needed.	Currently in place. Will run through 6/07/23
Videos will be created and reviewed in PLCs and a repository will be available as a reference tool for students and families that will consist of snapshots of examples of the standards/lessons being taught that will be shared to Class Dojo Story, Google Classroom and a shared school Google Doc. Spanish translations of resources and newsletters will be made as needed for our ELL families.	11/01/22-06/07/23
Teachers will create rigorous lesson plans, ELA templates and common assessments and grade level planning during PLCs and submit for review.	Currently in place. Will run through 6/07/23
